

**Officine Maccaferri: dialogue for the re-launch plan continues**

**Zola Predosa (BO), July 25, 2020** - With regard to the press articles published today, Officine Maccaferri confirms that it is engaged in constructive talks with the Court of Bologna. Officine Maccaferri is confident that - within a short period of time - a plan to safeguard the re-launch of an excellent player of the Italian industrial sector and a global leader in civil and environmental engineering will be shared, relying on the constant support of the AdHoc Group - consisting of some of the most important global private equity funds such as Carlyle, Man Glg and Stellex Capital - and creditors, mainly from the banking sector.

Founded in 1879, **Officine Maccaferri**, is a global company leader in civil and environmental engineering with total turnover exceeding 500 million Euro, 30 plant operating in 4 continents, over 3.000 employees and with sales in over 100 countries. Officine Maccaferri is worldwide technical reference in the research, design and implementation of innovative solutions for infrastructure, mining, river control and environmental protection. Its portfolio includes retaining structures, hydraulic works, rockfall protection systems, ground stabilization, tunneling and erosion protection solutions.
